Integrated Blended Winglet

This blade features:

Sensenich is pleased to bring this latest airboat propeller innovation to the market. Sensenich's Winglet Series of propellers will improve your airboating experience. Our Blended Winglets reduce aerodynamic drag associated with vortices that develop at the propeller tips, increasing fuel economy and reducing noise.

- < Rigid Construction Technology
- < Exclusive Airfoils
- < Quieter & Better Performance
- < Increased Fuel Economy
- < Increased Lift-to-Drag Ratio
- < True Scimitar Blade Shape
- < The Choice of More OEMs
