

72JN Series Blades

High Performance, Low Noise

Propeller Systems For Use On Direct Drive Engines

2 Blade
69" to 72"
Diameter

3 Blade
69" to 72"
Diameter

All J Series propellers feature our new Bolt Thru hub design with the option of our unique propeller Locking System to keep your airboat investment safe.

The 72JN Series of blades brings ultra fast propeller response along with high speed and good low end push.

Designed using completely new airfoil technology, this propeller has the optimum thickness ratio to assure you a high performance propeller system.

Designed primarily for 4 & 6 cylinder direct drive engines, the JN Series has proven to be a winner as a 3 blade on 6 cylinder engines. Coupled with our new V Hub system, this propeller is a breeze to install and adjust pitch.

Recommended Combinations:

Lyc. O-290, O-320, O-360

2 Blade 69" - 72"

Cont. O-470 & GPU

2 Blade 69" - 72" 3 Blade 69" - 72"

Cont. O-520, Lyc. O-540

2 Blade 69" - 72" 3 Blade 69" - 72"

Cadillac 472, 500

3 Blade 69" - 72"
